The Rotary Club of Swindon Thamesdown has been organising the ‘Walkley Midnight Walk’ on a twenty mile section of the Wiltshire Ridgeway for the last twenty years.

To date the ‘Walkley Midnight Walk’ has raised in excess of £180,000.00 for Local, National and International Charities.

The Rotary Club of Swindon Thamesdown organises the event with no cost to the participants.

The walk starts at 11.00pm at the Red Lion Pub in Avebury after a courtesy coach transfer from the finish point at the Bishopstone Village Hall at 9.30pm.

Cars can be parked free of charge safely during the night in the village.

The Club will provide marshalls, at all major junctions and road crossings and will also provide a ‘4 Wheel Drive Tail-end Charlie’ vehicle complete with qualified first aider where any walker unable to complete the walk can be returned to their vehicle by a Marshall.

Along the route walk refreshment areas will be provided with free snacks and hot and cold drinks for the walkers.

At the finishing point in Bishopstone the Royal Oak Pub will be open for a hearty breakfast at a cost of £5.00.
